EXPERIENCE

Documentary Pitch Student Lead

January 2026 - March 2026

Athena Film Festival

New York, NY

- Supported the production of the Athena Film Festival Doc Pitch showcase by coordinating schedules, tracking deadlines, and maintaining project materials in collaboration with a Peabody Award winning filmmaker
- Provided administrative and organizational support including managing communications, preparing informational packets and slides, and assisting with editing program materials
- Assisted with on site event operations by running slides, greeting guests, distributing materials, and supporting festival staff across production needs

Software Engineering Intern

June 2025 - December 2025

Shopfunder

New York, NY

- Increased customer acquisition by 80% by designing and deploying a responsive website and integrating Jotform workflows, reducing friction in lead capture and onboarding
- Automated customer management and sales tracking by migrating operations to Salesforce CRM, improving visibility into customer pipelines and enabling data-driven decision-making
- Created a custom data management tool using JavaScript and backend integrations to track and organize information for 5,000+ customers, significantly reducing manual processing time

Data Engineering Intern

June 2024 - December 2024

Pathway Catalyst

New York, NY

- Engineered backend logic to cross-check user-submitted data, reducing processing errors and significantly improving review efficiency
- Designed and maintained a MongoDB database to manage client records, enabling scalable updates, edits, and data integrity across applications

Location Scout Student Intern

September 2021 - December 2021

Virginia Film Office

Remote

- Managed communications for the Virginia Film Office by monitoring the general inbox, updating hotline announcements, and responding to inquiries from production companies and industry partners
- Conducted research on filming locations, regional services, and industry resources while organizing and maintaining location databases and assisting with location scouting
- Supported production development through script analysis, location breakdowns, and preparation of welcome packets for incoming projects and festivals

EDUCATION

Barnard College, Columbia University

New York, NY

B.A. Computer Science, Dean's List 2024-2026

August 2022 - May 2026

- **GPA:** 3.88/4
- **Courses:** Advanced Screenwriting, Digital Production, Adaptation, Film Production, Black Speculative Film

The One Train is Delayed | Executive Producer/Vice-President

September 2023 - Present

Barnard College

New York, NY

- Led organization rebrand by partnering with campus groups, shaping marketing strategy, and developing branding materials to support new initiatives and expand visibility
- Oversaw development, pre production, and post production for 4 short films, building detailed schedules and coordinating communication across writers, cast, and crew to streamline workflows and reduce production timelines
- Directed weekly development and production meetings to drive progress on annual film slate, align creative teams, and ensure timely execution of projects
